Re: **2013 Job Order Contract - City of Austin Facility Improvements**
Solicitation Number CLMB312
CLARIFICATION NO. 1

CLARIFICATION NO. 1

This is in response to questions received that warranted clarification.

Question:

On the Compliance Plan, how am I to provide percentages for subcontractors if scopes of work are not defined?

Response:

Percentage goals are defined on page 13 of the MBE/WBE Procurement Program section of the Project Manual. We require that you either meet these goals or provide proof that your firm has made a Good Faith Effort to meet these goals.

List all subcontractors and their scopes of work on the Compliance Plan that you plan to use to meet these goals, but **do not** provide percentages or dollar amounts for them.

All other information in the Solicitation remains unchanged. Please remember this solicitation is currently in a "No Contact" period and all inquiries should be directed to the appropriate contact persons listed in the solicitation. If you have questions regarding this process, please call me at (512) 974-7009. You may also contact Lynda Williams at (512) 974-3066 for project related questions.
